

## CLOSING LINES

Sadly missed

Cherished Memories

Treasured Memories

Ever remembered

Forever remembered

'Til we meet again

A patient sufferer at rest

The Long day closes

Loved by all

At Rest

In loving memory

Deeply mourned

Forever in our hearts

Ever in our thoughts

Peace at last

Peacefully sleeping

Peace after suffering

### **Love**

The one we loved and  
will never forget

To live in the hearts of those we love, is not to die

Our loving thoughts attend you on your new adventure

Love does not end

We love you now until we meet again

You touched the hearts of all who  
knew you and we love you greatly.

### ***Memories***

Time Passes, memories stay

You touched the hearts of all who knew you and the memories you left will  
forever be treasured.

Deep in our hearts your memory is kept

He is not far– he is always near  
In the memories that we held most dear,  
In the hearts that still care  
In the love that goes on  
He will never be far – he will never be gone

Always thoughtful, willing and kind

These are the memories you leave behind.

### ***Maori***

Ka mate kainga tahi, ka ora kainga rua. (Life from one generation does not end  
with it but passes on to the next.)

### ***Mother or Father***

Mother and Father reunited

A wonderful Mother

One of nature's true gentlemen, the world is a sadder place without him

Close to our hearts she will always stay loved and remembered everyday

She lived for those she loved,  
and those she loved, remember.

To know him was to love him

Forever cherished in our hearts

### ***Fighter***

A brave and courageous fighter, now at peace.

***With The Lord***

Forever with the Lord

Memory is the treasury and guardian of all things

Absent from the body, present with the Lord, Our Glorious hope,

In God's care

In the arms of Jesus

With God, is far better

Called to rest

Rest in Peace

Requiescat in Pace

May his dear soul rest in peace

Blessed are the pure in heart, for they shall see God

God was kind for giving me you

God will link the broken chain

God has you in his keeping

In heavenly love abiding

Death is the golden key that opens the place of eternity

Underneath are everlasting arms

Our darling in heaven

A little Angel only lent
